

**Group – 4 Loop Westinghouse Facilitator: John Cuffe    Successes – What has gone right**

---

- Byron**  
**Miriam Quinnett**
- First success - RX head peening
  - Second success – 610 mrem for drycast campaign
  - Third success- On-line dose reduction < 4 Rem
- 

- Braidwood**  
**Billy Miranda**  
**Joe Coughlin**
- First success - Completion of head peening project
  - Second success – ASCA on 2ndary steam generator .
  - Third Success-Replacement of RCP impeller\pump
- 

- Wolf Creek**  
**John Cuffe**
- First success - Camera inspection on head. 360 degree head penetration inspections
  - Second success – Daily scheduling has been improved. Dose estimates are 8 weeks out, planning on larger jobs to include Manager Sponsor

## Group -4 Loop Westinghouse\_Facilitator: John Cuffe Successes – What has gone **wrong**

---

<b>Byron Miriam Quinnett</b>	<ul style="list-style-type: none"><li>➤ First challenge: Engineering support for permanent shielding</li><li>➤ Second challenge: Getting system hydrolased</li></ul>
<b>Braidwood Joe Coughlin</b>	<ul style="list-style-type: none"><li>➤ First challenge: Wrong resin increased dose in general area</li><li>➤ Second challenge: During ASCA had to keep RCS temp. higher</li><li>➤ Third challenge: Losing INPO points</li></ul>
<b>Wolf Creek</b>	<ul style="list-style-type: none"><li>➤ First challenge: Swapped and repaired excess letdown Heat exchanger, 100-200 mrem/hr estimated, had run the system during the cycle, no decay actual dose rates 700 mrem/hr</li><li>➤ Second challenge: Cleaning head after boric acid leaks. Clamping all penetrations is coming.</li></ul>
	<ul style="list-style-type: none"><li>➤ First challenge:</li><li>➤ Second challenge:</li></ul>
	<ul style="list-style-type: none"><li>➤ First challenge:</li><li>➤ Second challenge:</li></ul>

---

### Golden Nuggets:

- **Byron – WIFI**
- **Braidwood- Water fountain in containment, New fuel, lock rings**

## **Group -4 Loop Westinghouse\_Facilitator: John Cuffe Successes – What has gone **wrong****

- **Wolf Creek- Voice over IP cell phones improved communications**
